

AMP+

More Choices. More Control. The fastest, easiest way to manage your account online.

OVERVIEW

Our Dosimetry Services provides a secure, easy and convenient way for customers to manage their accounts online with the release AMP+, our new and improved account management program.

With AMP+ you can efficiently and effectively manage the many elements of your monitoring program. From adding and deleting wearers to viewing statics on badges returned vs non returned for a specific location in one click, it has never been easier to manage your account.

Easier on you and the environment!

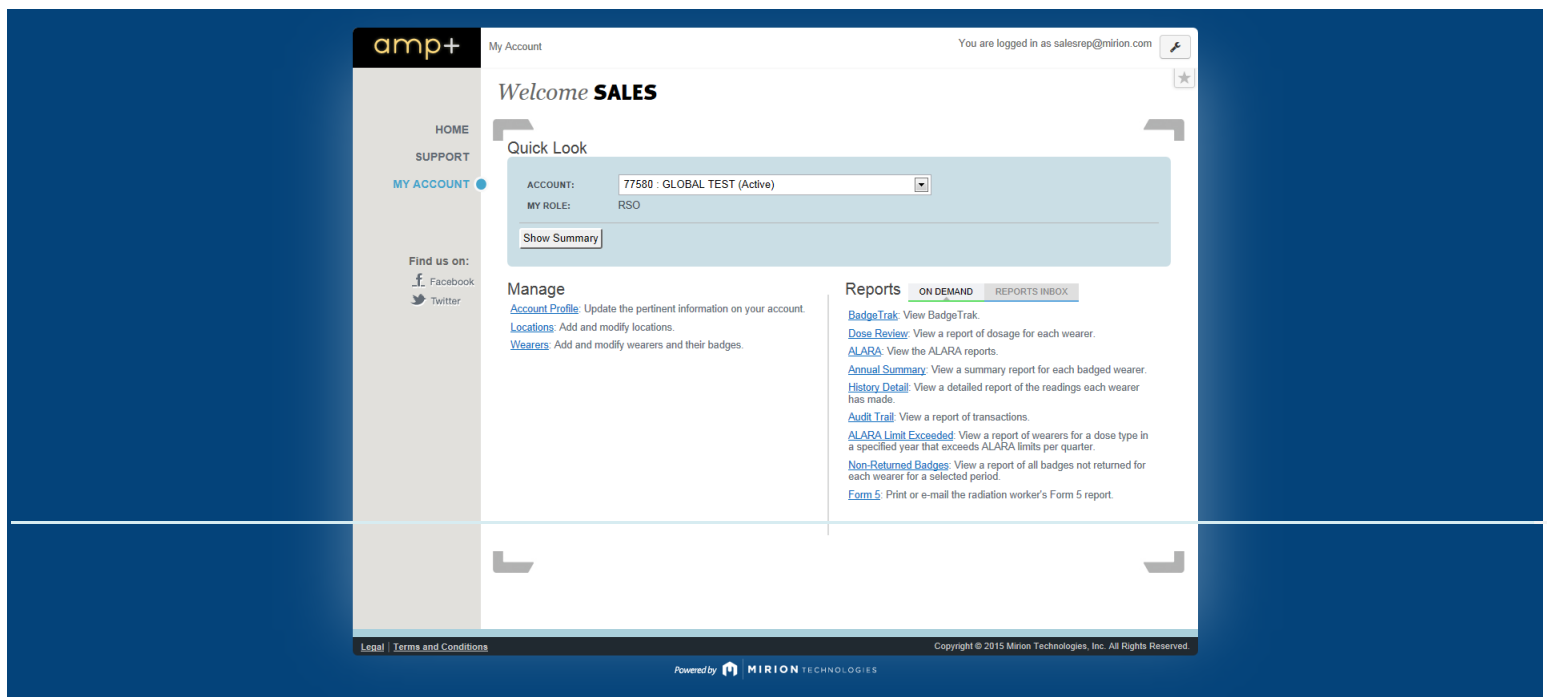

Save electronic copies of reports in a variety of formats. Help the environment while making it easy for you to send reports electronically to wearers.

BENEFITS
